Module 2: Teaching Subjects Through English

June to July 2022

50 hours

Will Nash

Will Nash,
Course Tutor

David Read

David Read,
Course Tutor

Criterion for completion

To qualify for this certificate, the participant needed to complete 80% of the online module.

Module Objectives:

- Respond to a range of different challenges connected with ESP in EMI
- Analyse the roles of content and language in an EMI context and how this impacts on the assessment practices
- Assess when, why and how English is used in an EMI context
- Consider the implications of introducing the teaching of subjects through English in relation to students, teachers and institutions
